Dear Friend,

We are seeking your support as an auction item donor for our 2015 Fall Gala, "New York, New York", to benefit The All-American Boys Chorus (TAABC). This event will be held on Saturday, November 7, 2015 at the Hilton Hotel in Costa Mesa, CA.

Based in Orange County, California, TAABC is an extraordinary world-class professional boys choir with a rich 45-year history that has included several international concert tours, appearances in entertainment and media, and an active outreach program to schools and charities throughout the United States.

As with many choirs and independent educational organizations, tuition and performance fees alone do not cover all of TAABC's expenses. There is a gap of approximately 25% that needs to be covered through fundraising efforts such as the Fall Gala. All proceeds from your contribution for the auction will directly benefit the activities and outreach of TAABC as well as its renowned music education program. The 100 + choristers of TAABC, ages 8-15, come from 30 cities throughout Southern California. They represent a diverse variety of ethnic, religious, and socio-economic backgrounds, including single parent homes and underprivileged communities. No boy is denied the opportunity to participate in the Boys Chorus due to financial hardship.

Request: Gift certificate, tickets or another appropriate item or service for our online and silent auctions. Please let us know if your donation cannot be used in an online auction. Tax Advantage: TAABC is a 501(c)(3) entity, ID #23-7376151. Your donation is tax-deductible to the extent allowed by law.

Benefits: Your donation will be advertised to thousands of our friends and supporters, creating an even broader awareness of your product, business, and community involvement. You will also be listed in the Fall Gala online site, Fall Gala program, marketing materials and auction signage. And of course, proceeds from your donation will help fund the many extraordinary activities of The All-American Boys Chorus!

Timing: To properly recognize your product and generosity, we ask that all items, along with donor contact information, marketing materials, logos (high resolution JPEG or PDF), promotional descriptions and approximate value of the donation arrive to our office by **October 1, 2015**. Items will begin appearing on our online bidding site approximately 3 weeks prior to the live event on November 7. We are happy to arrange pick up of any local donations.

Thank you for your consideration and support of The All-American Boys Chorus!
