Dear Friends,

Join us at The All-American Boys Chorus' 2015 Fall Gala, "New York, New York". The Gala will be held on Saturday, November 7, 2015 at the Hilton Costa Mesa, located near South Coast Plaza. Guests will be treated to a fabulous Big Apple evening, beginning with cocktails and a silent auction, followed by a gourmet dinner, live auction, and entertainment by the internationally acclaimed All-American Boys Chorus. We will honor Gene Kranz, retired NASA flight director and one of America's most popular space heroes, as our 2015 Great American.

Based in Orange County, The All-American Boys Chorus (TAABC) provides world-class music education and leadership training to over a hundred boys ages 8 to 15. Our choristers hail from 30 cities in the Orange, Los Angeles and Riverside counties, and reflect the rich diversity of our community. Since 1970, TAABC has shared their distinctive sound on 53 concert tours to Canada, Europe, Asia, and all corners of the United States.

This last year, the boys of TAABC continued to enrapture audiences near and far. The summer of 2014 found them singing across the Canadian Rockies, presenting concerts at Butchart Gardens on the British Columbia island of Victoria and in grand hotels in Banff, Lake Louise and Jasper. During the 2014 holiday season, the boys spread joy throughout Southern California, from the gorgeous grounds of Roger's Gardens to the majestic Christ Cathedral and the iconic Union Station in Los Angeles. They lent their voices to Emmy-nominated David Benoit's "A Christmas Tribute to Charlie Brown" and lit up the night at tree lightings and holiday celebrations.

This summer, the touring chorus of TAABC will travel to the East Coast, where they will sing at some of our nation's most beloved venues, including the John F. Kennedy Center for the Performing Arts in our nation's capital, Wolf Trap National Park for the Performing Arts, and St. Patrick's Cathedral in the Big Apple itself! And to cap an incredibly exciting year for the young boys, TAABC will travel in December to Japan to share its repertoire of traditional choral music infused with its distinct American, Southern California sound.

Like many non-profit organizations, tuition and performance fees do not cover all of TAABC's expenses. A revenue gap of approximately 25% needs to be covered through fundraising. We rely on generous donors such as you and your organization to support our mission to motivate and build character in boys through unparalleled opportunities for musical training, performance, leadership, travel and community service. Your giving inspires great achievement!

Thank you for your support and we look forward to seeing you at our 2015 Fall Gala!
